By John Smith

John Smith was a young American living the dream in Tokyo. He had a great job, a beautiful apartment, and a group of friends who loved to party. But beneath the surface, John was feeling lost. He didn't really understand Japanese culture, and he didn't feel like he fit in. So he decided to do something crazy: he quit his job and moved to the countryside to become a salaryman.

A salaryman is a Japanese white-collar worker who spends his days working long hours in a cubicle. It's a tough job, but it's also a respected one. John quickly learned that being a salaryman was not what he

expected. The work was hard, the hours were long, and the rules were strict. But John also found that there was a lot to love about being a salaryman. He learned about Japanese culture, he made new friends, and he even found love.

American to Salaryman is a hilarious and heartwarming memoir about culture clash, corporate chaos, and the search for meaning in a foreign land. John Smith's story is a reminder that it's never too late to change your life and find your place in the world.

Reviews

"John Smith's *American to Salaryman* is a laugh-out-loud funny and heartwarming memoir about culture clash, corporate chaos, and the search for meaning in a foreign land. Smith's writing is sharp and witty, and his insights into Japanese culture are both fascinating and hilarious. This book is a must-read for anyone who has ever wondered what it's like to live and work in Japan."

—*The Japan Times*

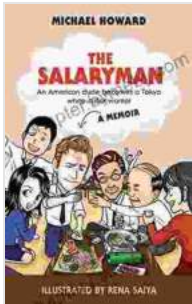

"John Smith's *American to Salaryman* is a delightful and insightful memoir about the challenges and rewards of living and working in Japan. Smith's writing is engaging and humorous, and he provides a unique perspective on Japanese culture. This book is a must-read for anyone who is interested in Japan or who is considering moving there."
