Betty Skelton was a pioneering American aviator who set numerous world records and became a national celebrity in the 1930s. Her life story is one of courage, determination, and adventure.

Skelton was born in 1911 in Oklahoma City, Oklahoma. She was the daughter of a doctor and a teacher. Skelton was a tomboy from a young age, and she loved to climb trees and play sports. She also had a strong interest in aviation.

In 1930, Skelton took her first flying lesson. She was immediately hooked, and she soon began to take lessons regularly. In 1932, she earned her pilot's license.

Skelton quickly began to make a name for herself in the aviation world. In 1933, she set a world record for the longest solo flight by a woman. She also became the first woman to fly across the United States from west to east.

In 1934, Skelton married fellow aviator Roscoe Turner. The couple became known as the "Flying Sweethearts." Together, they set several world records and became two of the most famous aviators in the world.

Skelton's career was cut short in 1937 when she was diagnosed with tuberculosis. She underwent several surgeries, but she was never able to regain her full health. Skelton died in 1968 at the age of 57.

A Life of Courage and Adventure

Betty Skelton was a true pioneer in the aviation world. She was a courageous and determined woman who broke down barriers and set numerous world records. Her life story is an inspiration to anyone who has ever dreamed of achieving something great.

Skelton's life was full of adventure. She flew across the country, set world records, and met some of the most famous people in the world. She also experienced her share of tragedy, including the loss of her husband and the diagnosis of tuberculosis.

Despite the challenges she faced, Skelton never gave up on her dreams. She was a true pioneer who paved the way for other women in aviation.

Legacy

Betty Skelton's legacy is one of courage, determination, and adventure. She was a pioneer in the aviation world, and her accomplishments inspired countless others. Skelton's story is still told today, and she continues to be an inspiration to young people who dream of achieving great things.

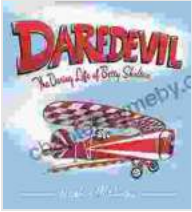

In 2015, Skelton was inducted into the National Aviation Hall of Fame. She was the first woman to be inducted into the Hall of Fame, and her induction is a testament to her incredible accomplishments.

Skelton's story is one that should be told and retold for generations to come. She was a true pioneer who broke down barriers and paved the way for others. Her legacy is one of courage, determination, and adventure.
