What's inside the book?

This book is divided into four parts:

1. **Part 1: to Debating**
2. **Part 2: The Basics of Debating**
3. **Part 3: Advanced Debating Techniques**
4. **Part 4: Practice Debates**

Part 1 provides an overview of debating, including the different types of debates, the roles of the participants, and the basic rules of debating. Part 2 covers the basics of debating, including how to choose a topic, research your topic, develop an argument, and present your argument. Part 3 covers more advanced debating techniques, such as how to rebuttal your

opponent's arguments, how to use body language, and how to stay calm under pressure. Part 4 provides practice debates on a variety of topics, so students can put their skills into practice.

What makes this book different?

This book is different from other debate books in several ways:

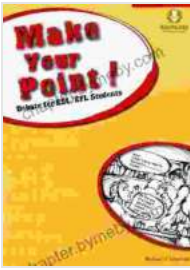

- **It is written specifically for ESL/EFL students.** The book uses clear and concise language, and it provides examples and exercises that are tailored to the needs of ESL/EFL students.
- **It includes downloadable audio recordings of debates.** These recordings allow students to hear how real debates are conducted, and they can help students to improve their pronunciation and intonation.
- **It is comprehensive.** The book covers all aspects of debating, from choosing a topic to presenting an argument. It also includes tips on how to improve your debating skills.
