In April 1997, the Red River raged through the heart of the Red River Valley, leaving behind a trail of destruction and heartbreak. Now, in *Red River Raging: Disaster Strikes*, author John Maclean tells the gripping story of this devastating flood and its aftermath.

Maclean, a veteran journalist who covered the flood firsthand, takes readers on a harrowing journey through the events of that fateful week. From the first signs of trouble to the desperate evacuation efforts to the heartbreaking aftermath, Maclean paints a vivid picture of the human toll of this natural disaster.

Red River Raging is more than just a story of destruction. It is also a story of hope and resilience. Maclean tells the stories of the everyday heroes who risked their lives to save others, the families who lost everything but found the strength to rebuild, and the communities that came together to support each other in their time of need.

Red River Raging is a must-read for anyone who wants to understand the devastating impact of natural disasters and the indomitable spirit of the human heart.
