By David Perlmutter

In the early 1990s, a groundbreaking and controversial animated series called Ren & Stimpy took the world by storm. Created by John Kricfalusi, the show was a wild and wacky mix of slapstick comedy, social satire, and dark humor. It quickly became a cult classic, but its success was also marred by controversy. Kricfalusi was fired from the show in 1992, and the series went into a steep decline. In the years since, Ren & Stimpy has been the subject of much speculation and debate. What really happened behind the scenes? What led to Kricfalusi's firing? And what is the legacy of this groundbreaking show?

In Sick Little Monkeys, David Perlmutter tells the unauthorized story of Ren & Stimpy. Based on interviews with key figures involved in the show,

Perlmutter reveals the truth about Kricfalusi's firing, the show's creative process, and its lasting impact on animation. Perlmutter also explores the dark side of Ren & Stimpy, including the allegations of sexual harassment and abuse that have been leveled against Kricfalusi. The result is a fascinating and unflinching look at one of the most iconic and controversial animated series of all time.

Praise for Sick Little Monkeys

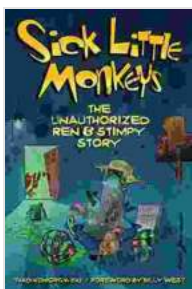

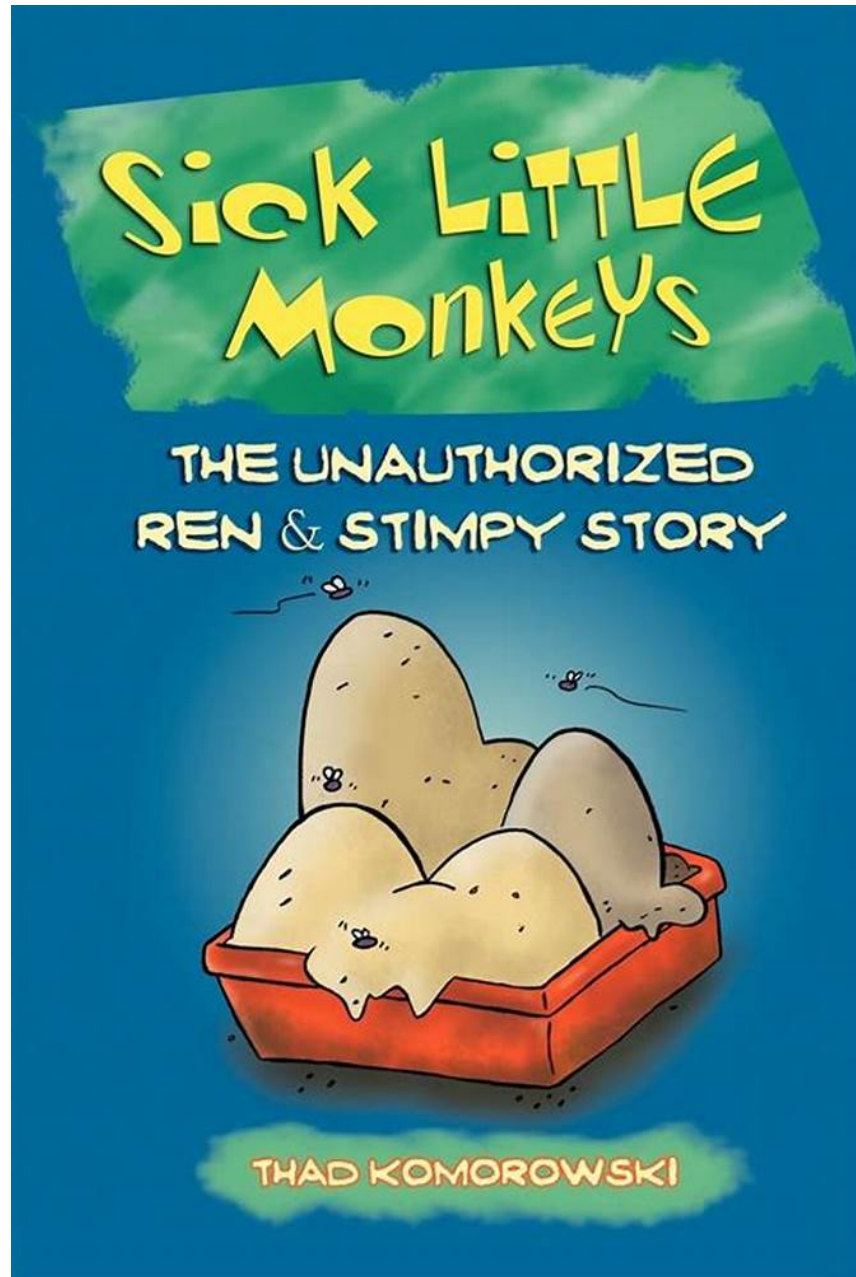

"A must-read for fans of Ren & Stimpy and anyone interested in the history of animation." —**The New York Times**

"Perlmutter's book is a fascinating and unflinching look at one of the most iconic and controversial animated series of all time." —**The Hollywood Reporter**

"Sick Little Monkeys is a must-read for anyone who wants to understand the true story of Ren & Stimpy." —**Variety**
