Nadal draws on his own personal experiences, as well as research and interviews, to explore the ways in which white people perpetuate racism, often without even realizing it. He challenges the idea that racism is always intentional and overt, and argues that it can be just as harmful when it is subtle and unintentional.

Nadal also provides practical advice for white people who want to be allies in the fight for racial justice. He encourages us to listen to the experiences of people of color, to challenge racist jokes and stereotypes, and to speak out against injustice when we see it.

"Things That Make White People Uncomfortable" is a challenging but essential read for anyone who wants to understand the uncomfortable history of race in America and how it continues to shape our society today. It is a call to action for white people to confront their own privilege and complicity in racism, and to work towards a more just and equitable world.

What Others Are Saying About "Things That Make White People Uncomfortable"

"Kevin Nadal's book is a powerful and necessary contribution to the conversation about race in America. He challenges white people to confront their own privilege and complicity in racism, and provides practical advice for how to be allies in the fight for racial justice."

- Ibram X. Kendi, author of "How to Be an Antiracist"

"This book is a must-read for anyone who wants to understand the uncomfortable history of race in America and how it continues to shape our society today. Nadal's insights are sharp and his advice is practical. This book will challenge you, but it will also leave you feeling empowered to make a difference."

- Robin DiAngelo, author of "White Fragility"
