## The True Cost of Obamacare

Obamacare has been a financial disaster for the American people. The law has led to higher health insurance premiums, deductibles, and co-pays. In fact, the average family's health insurance premiums have increased by more than \$2,000 per year since Obamacare was enacted.

In addition to higher premiums, Obamacare has also led to reduced access to care. Doctors and hospitals have been forced to close their doors due to the high cost of compliance with Obamacare's regulations. This has made it more difficult for people to find affordable health care.

## **The Way Out of Obamacare**

The Way Out of Obamacare: Encounter Broadside 47 provides a comprehensive plan for repealing Obamacare and replacing it with a better system. This plan includes:

- Repealing Obamacare's individual mandate, which requires all Americans to have health insurance.
- Expanding health savings accounts (HSAs), which allow people to save money on their health care costs.
- Allowing people to buy health insurance across state lines, which would increase competition and lower costs.
- Giving states more flexibility to design their own health insurance programs.

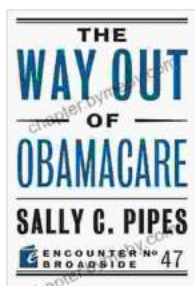

## **Repealing Obamacare**

Repealing Obamacare will be a difficult task, but it is essential for the future of American health care. The Way Out of Obamacare: Encounter Broadside 47 provides a roadmap for repealing Obamacare and replacing it with a

better system. This book is a must-read for anyone who wants to understand the true cost of Obamacare and how to repeal it.
