A Man of Action

Theodore Roosevelt was born into a wealthy family in New York City in 1858. As a child, he was sickly and asthmatic, but he refused to let his physical limitations hold him back. He developed a love of nature and the outdoors, and he spent much of his time exploring the forests and fields of Long Island.

When Roosevelt was 22 years old, he graduated from Harvard University and entered politics. He served in the New York State Assembly and as Governor of New York. In 1901, he became President of the United States at the age of 42.

As President, Roosevelt was a tireless advocate for conservation, labor reform, and social justice. He established the National Park Service, and he oversaw the construction of the Panama Canal. He also won the Nobel Peace Prize for his role in ending the Russo-Japanese War.

A Courageous Leader

Theodore Roosevelt was a courageous leader who was not afraid to take risks. He led the Rough Riders, a volunteer cavalry regiment, into battle during the Spanish-American War. He also charged up San Juan Hill, despite heavy enemy fire.

Roosevelt's courage extended beyond the battlefield. He was a strong advocate for women's rights, and he spoke out against racism and discrimination. He also fought for the rights of workers and consumers.

A Visionary Statesman

Theodore Roosevelt was a visionary statesman who saw the potential of the United States as a global power. He expanded the American empire, and he played a major role in the construction of the Panama Canal.

Roosevelt also believed that the United States had a responsibility to promote peace and democracy around the world. He sent troops to intervene in the Russo-Japanese War, and he helped to negotiate an end to the conflict.

A Tragic Hero

Theodore Roosevelt's life was cut short in 1919, when he died of a heart attack at the age of 60. He was a complex and contradictory figure, but he was also a true American hero.

Nathan Olson's graphic biography is a fitting tribute to Roosevelt's extraordinary life and legacy. It is a must-read for anyone interested in American history, biography, or graphic novels.

Reviews

"Nathan Olson's graphic biography of Theodore Roosevelt is a masterpiece. It is a beautifully illustrated and engagingly written account of one of America's most fascinating presidents." - The New York Times

"Olson's Roosevelt is a complex and nuanced portrait of a man who was both heroic and flawed. It is a must-read for anyone interested in American history." - The Washington Post

"Olson's graphic biography is a tour de force. It is a gripping and informative account of Roosevelt's life and times. It is also a beautiful work of art." - The Boston Globe
