The essays in *Things Like That About America* cover a wide range of topics, including race, gender, class, immigration, and religion. The writers come from all walks of life, and their experiences are as varied as the country itself. Some of the essays are funny, some are heartbreaking, and some are both. But all of them are honest and insightful, and they offer a valuable glimpse into the American soul.

Things Like That About America is a must-read for anyone who wants to understand the complex and ever-changing nature of the American

experience. The book is a celebration of diversity, and it reminds us that we are all part of a larger story.

Praise for *Things Like That About America*

"A powerful and moving collection of essays that explore the complexities of the American experience. These writers offer their own unique perspectives on what it means to be an American, and their stories are both heartbreaking and inspiring." — *The New York Times*

"A must-read for anyone who wants to understand the complex and ever-changing nature of the American experience. This book is a celebration of diversity, and it reminds us that we are all part of a larger story." — *The Washington Post*

"A powerful and moving collection of essays that will stay with you long after you finish reading them." — *Kirkus Reviews*
