

Titanic: The True Story of Tragedy and Triumph

By Matt Christopher

On April 15, 1912, the RMS Titanic, the largest and most luxurious passenger ship ever built, set sail from Southampton, England, on its maiden voyage to New York City. Just four days later, the unthinkable happened. The Titanic struck an iceberg and sank in the icy waters of the North Atlantic, taking the lives of over 1,500 people.

The sinking of the Titanic was a tragedy of unimaginable proportions. But amidst the horror and despair, there were also stories of heroism and survival. Matt Christopher's book, *Titanic: April 1912*, tells the true stories of some of the survivors of the disaster.

Christopher interviewed survivors and their families to piece together a vivid and accurate account of what happened that fateful night. He tells the

stories of people from all walks of life, from wealthy first-class passengers to humble steerage passengers.

Christopher's book is not just a dry recitation of facts. It is a gripping and emotionally charged narrative that brings the Titanic disaster to life. He captures the terror and confusion of the passengers as the ship sank, and he celebrates the courage and resilience of those who survived.

Titanic: April 1912 is a must-read for anyone interested in the Titanic disaster. It is a powerful and moving testament to the human spirit, and it will stay with you long after you finish it.
