Step into the shadowy depths of Edinburgh Castle, where a headless drummer is said to patrol the ramparts, his ghostly beat echoing through the night. Explore the eerie corridors of Chillingham Castle, notorious for its "Blue Room," where a malevolent ghost is rumored to reside and torment visitors.

Journey to the forbidding fortress of Mont Saint-Michel, where a mysterious phantom monk wanders the halls, his footsteps heard but his presence unseen. Unravel the unsolved mysteries surrounding the Tower of London, where the ghosts of executed queens and prisoners still linger, their cries for justice echoing in the stone chambers.

Each chapter of this enthralling book delves into a different haunted castle or fortress, providing a comprehensive history of its occupants and the chilling events that have shaped its reputation as a paranormal hotspot. You'll encounter ghostly apparitions, disembodied voices, unexplained occurrences, and dark legends that have become embedded in the folklore of these historic structures.
