Enter the AKC Star Puppy Program

The AKC Star Puppy program is a comprehensive and science-based approach to puppy training that emphasizes positive reinforcement and gentle guidance. Developed by renowned animal behaviorists and trainers, this program has been proven to help puppies develop into well-socialized, obedient, and happy companions.

The Seven Core Tenets of Star Puppy

The AKC Star Puppy program is built upon seven core principles:

- **Socialization:** Exposing puppies to a variety of environments, experiences, and people helps them become comfortable and

confident in all situations.

- **Housebreaking:** Training puppies to eliminate in designated areas ensures a clean and healthy home.
- **Basic Obedience:** Commands such as sit, stay, and come are essential for managing your puppy's behavior and ensuring their safety.
- **Bite Inhibition:** Teaching puppies to control their biting behavior prevents painful accidents and promotes harmonious interactions with humans.

li>**Leash Training:** Walking on a loose leash is not only a matter of convenience but also ensures your puppy's safety and control.

- **Problem Prevention:** Identifying and addressing potential behavioral issues early on helps prevent more serious problems from developing.
- **Enrichment:** Providing opportunities for physical and mental stimulation is crucial for a puppy's well-being and happiness.

The Benefits of Star Puppy Training

Embracing the AKC Star Puppy approach offers numerous benefits for both puppies and their owners:
