Step into the pages of history and witness the extraordinary journey of Susanna Haswell Rowson, a blind woman who defied societal norms and served as a nurse during the tumultuous American Civil War. Her remarkable memoir, now available in an abridged and annotated edition, offers an unparalleled glimpse into the conflict through the eyes of a courageous and resilient woman.

AN ARMY NURSE

IN THE CIVIL WAR

A Life of Service and Sacrifice

Born into a prominent family in Massachusetts in 1822, Susanna Rowson faced the challenges of blindness from an early age. Despite her disability, she possessed an indomitable spirit and pursued education and music with unwavering determination. When the Civil War erupted in 1861, Rowson saw it as her duty to serve her country, regardless of her limitations.

With the support of her family and friends, she volunteered as a nurse and joined the Massachusetts Soldiers' Relief Association. Rowson's unwavering dedication and compassionate care for the wounded soldiers earned her the respect and admiration of both her colleagues and patients.

An Unprecedented Perspective

Rowson's keen sense of hearing and heightened olfactory perception allowed her to navigate the challenges of nursing in a war zone with remarkable efficiency. She became known for her ability to identify the subtle sounds of pain and the distinct odors of infection, providing timely assistance to those in need.

Her memoir, originally published in 1868, offers a unique and valuable perspective on the Civil War. Rowson's vivid descriptions of the battles, the suffering of the soldiers, and the horrors of war provide a poignant reminder of the human cost of conflict.
